Experience

September 2005 – Present

Dance Instructor
Westchester Ballet Center
Fred Astaire Franchised Dance Studios
– Taught dance classes in ballroom (Fred Astaire) and tap (Westchester Ballet) to students of varying ages and skill levels
– Customized dance steps and choreography to incorporate students' ideas while matching their abilities
– Guided each student personally towards a greater appreciation of dance

September 2007 – June 2012

Project Coordinator
Somers High School WISE Program
(Wise Individualized Senior Experience)
– Worked with a team of faculty and students to introduce a new program preparing high school seniors for their desired field of study or employment
– Communicated closely with students to gather feedback and tailor the program to individual needs

August 2009

Intern
Somers Town Planning & Engineering Dept.
– Created digital databases and made files more accessible and user friendly
– Worked with the planning and engineering team to optimize and enhance existing digital files
